Manufacturing Facilities

Unit 1: Finishing Unit – Non-Aqueous Systems – Bhiwandi (Maharashtra - India)

Unit 2: Reaction Unit – Tarapur (Maharashtra - India)

Unit 3: Finishing Unit – Aqueous Systems - Umbergam (Gujarat - India)

Product Range - Additives

DEFOAMERS

Liquid & Powder

BASED ON

- Silicone
- Mineral Oil
- Organophosphate
- Spl. Polymer

EMULSIFIERS

For Various Applications

- Anionic
- Non-ionic
- Cationic

THICKENERS

Liquid & Powder
for

- Aqueous
- Non-Aqueous Systems

DISPERSANTS

- Application
- Aqueous Systems
 - Non-Aqueous Systems

Product Range – Specialty Additives

ADD-ECO 5592 - EXP

Aqueous Systems

- Improves Flow
- Improves Tack
- Supports Leveling
- Imparts in-can luster to Paints

ADDITIVE 8000

For adding water in Alkyd based Decorative Paints

- Cost Reduction
- Settling Control
- Low VOC

PE WAX EMULSION

Aqueous Systems

- Imparts Slip
- Improves Low Dirt Pick-up
- Improves Scrub Resistance

WATER REPELLENT ADDITIVE

For

- Aqueous Coatings
- Masonry Work

Our Mission

We, at Harmony, are committed to:

- Meet Customers Requirements & satisfaction by providing Services on time – every time.
- Manufacture High Quality Products meeting International Standards.
- Achieve & Maintain Quality Management
- Standards & Systems, Employee Motivation, Continuous up-gradation.

Our Strengths

Innovative Approach

A team with
Creative viewpoint
to trouble shooting the problem faced by industries
is our pillar strength

Our Strengths

Quality Assurance

We believe that quality has no limits. While manufacturing our products we take utmost care to keep all Technical Parameters at an optimum level ensuring high performance of the Additives that we provide.

We have well equipped Quality Control Laboratory to assure stringent quality check.

Our Strengths

Diligent Teamwork

We could have never attained laurels in our field of work without a strong support from our prudent working team. We have a team of highly proficient workers who have a vast experience. They continuously update themselves with the latest technologies to keep a competitive edge over our counterparts in the same field.

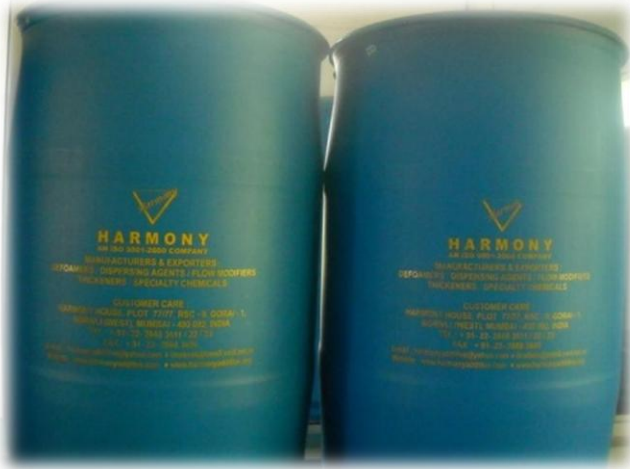

Our Strengths

Infrastructure

We have a robust infrastructure well equipped with state-of-the-art machinery. In order to maintain Technical Parameters consistency we use special purpose machines to keep a check on their optimum level.

Our Strengths

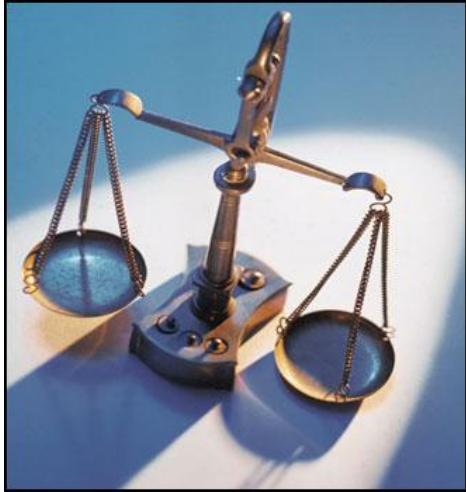

Perfect Packaging

Packaging is one of the most important features. We ensure all customers of leak proof and safe delivery of the products. Our packaging unit takes utmost care in perfect packaging of our products to ensure hassle free transportation.

Our Value

Apart from Quality, providing a safe and healthy work environment to our employees has been one of the top priorities of the company. We provide our employees with a platform to exhibit their skills and potentials.

At Harmony, we strive for improvement at every stage with the help of our valued vendors by:

- Superior quality of raw material
- Superior colour matching tool
- Management Support
- Technical Support
- Greater Flexibility

Our Target

Satisfying
Customer's
Quality
Thirst
By
Customized
Tailor-made
Products

Our Target

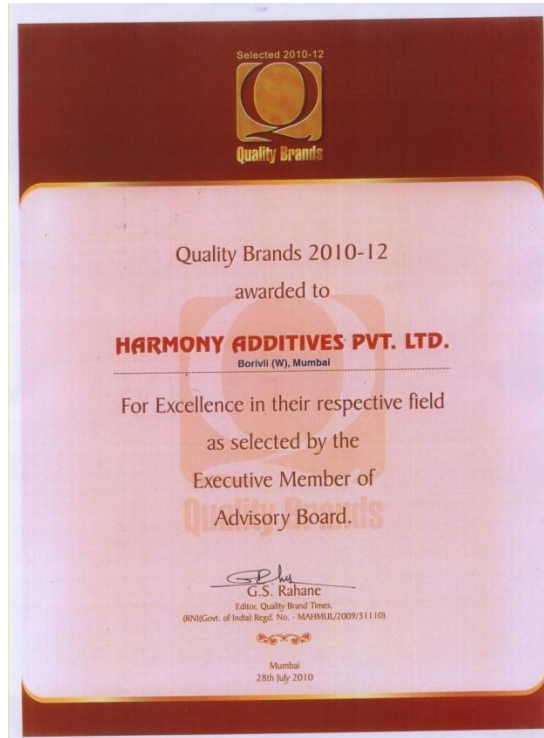

In a pursuit to win loyalty and trust of large number of customers, we are experimenting with all probable opportunities that leads to maximum customer satisfaction. Our products and services are fine-tuned to meet the exact requirements of the customers. We are offering the provision of customized order that helps us to produce Additives and Specialty Chemicals as per the specifications of the clients.
